

Rogate Village Enhancements - Frequently Asked Questions

1. Why does this work have to take place?

Following concerns raised by the community, improvement works were identified to enhance the safety through the village of Rogate. Consultation with the Parish Council identified local issues relating to speed.

2. What work has to be done?

This improvement scheme is being implemented in 2 phases:

Phase 1

- New Gateway signs/features at the eastern/western entry points into the village
- Footway improvement works on West Street from the junction with North Street to the junction with Parsonage Estate, which will also reduce the road width through this section

Phase 2

- Carriageway resurfacing works
- Road markings and coloured surface treatment works, where key junctions will be highlighted and centreline removed through the village

3. What will the benefits be once it is finished?

Reduction in speeding through the village and improved footpaths in the village centre

4. Will any road have to be closed during the works?

In order to protect the public and our workforce and minimise disruption to traffic the works will be carried out with:

Phase 1 – Temporary traffic signals.

Phase 2 – Night time road closures with traffic diversions in place. All works are subject to favourable weather conditions.

5. When will the work start/finish?

Phase 1 – Will commence from Tuesday 23rd January 2018 for approximately 7 weeks

Phase 2 – Will commence from Monday 12th March 2018 for approximately 2 weeks

6. What time of day will the work take place?

Phase 1 - Working hours for these works are from 07:00 to 16:00hrs. Outside of this time, there may be minor parking restrictions and diversion signs in place.

Phase 2 - Working hours for these works are from 19:00 to 06:00hrs. Overnight works only and the road will be open outside of working hours.
