

West Sussex County Council – Highways

As part of the current WSCC IWP programme of works we will shortly be undertaking the improvement works to implement the village enhancement scheme on the A272 through the village of Rogate.

These works will involve:

Phase 1 - Tuesday 23rd January 2018 for approximately 7 weeks

- New Gateway signs/features at the eastern/western entry points into the village
- Footway improvement works on West Street from the junction with North Street to the junction with Parsonage Estate

In order to protect the public and our workforce and minimise disruption to traffic these works will be carried out under temporary traffic signals from 07:00 to 16:00hrs each day and where road closures are required traffic diversions will be in place; subject to favourable weather conditions.

Phase 2 - Monday 12th March 2018 for approximately 2 weeks

- Carriageway resurfacing works
- Road markings and coloured surface treatment works, where key junctions will be highlighted and centreline removed through the village

In order to protect the public and our workforce and minimise disruption to traffic these works will be carried out under night time road closures from 19:00 to 06:00hrs each night with traffic diversions in place; subject to favourable weather conditions.

A letter drop will be carried out to the affected frontages along the extent of the scheme and Advance warning signs will be erected in the local area to inform road users of the proposed works.

Any queries regarding these works in the please call the WSCC Contact Centre on 01243 642105.
