  - b) FF reported that FP 1148 to Terwick church has not been reinstated by the farmer (after being ploughed) but it is reasonable (Durford Lane to Black Barn/Fair Oak).
  - c) On both of these, MH reported that WSCC has written to the farmer reminding him of the obligation to maintain them. It was agreed the farmer should be written to again; action Clerk please.
  - d) RHR reported the need to keep the path from Slade Lane to Commons side open. The farmer has planted over the footpath and walkers are keeping it clear by walking it, but it needs to be reinstated.

  - a) There was some discussion of the problem with overhanging greenery from property on Habin Hill and agreed that RPC should write to the owner (Mr & Mrs Krens) alerting them that the trees will need pruning in the autumn, both in Garbitts Lane and on Habin Hill where the high overhang pushes tall vehicles into the middle of the lane. Action Clerk please.

- b) It was also agreed that we will ask the Clerk to write to Highways to ask them to attend to a particular oak tree on west side of lane near entrance to the little paddock, which has a threatening large bough overhanging the lane. Also, that several of the passing places on the lane cannot be used because they are filled with cut greenery and require clearing.
