- 1) **Recording of the meeting:** It was noted the meeting would not be recorded.
- 2) **Representations by the public:**
- a) Mr Lunn addressed the Council to provide information about the Tursiops Cottage application. They have done a lot of research and have designed a sympathetic barn-like property that will blend into the woodland while being mindful of carbon emissions. They are a family of 6 and the existing property is at the end of its life.
 - b) He passed around photos demonstrating how the proposed property will look within its environment; It will be clad in grey/brown larch.
- 3) **Apologies for absence:** Nic Lobbenberg.
- 4) **Declarations of interest:** None.
- 5) **Minutes of last meeting:**
The minutes of the last meeting held on 13th November 2017 were approved and signed as a true record.

Proposal:	Oak framed orangery to rear. Removal of condition 4 from planning permission SDNP/17/04217/HOUS.		
Comments:	<i>The Council had no understanding of the reason for this application. They appreciate there is street lighting but if the requirement for black-out blinds is removed it would set a precedence within a dark skies area. They consider the use of blinds would help reduce traffic noise.</i>

Location:	Santa Ana, London Road, Hill Brow, Rogate

- 7) **Planning decisions** as listed on the agenda were noted.
- 8) **Response to CDC planning enforcement email** from Shona Archer – is was agreed no response is necessary. The Chairman attended the CDC North Area Forum meeting where they were addressed by Shona and Tony Whitty about the planning enforcement process. She has requested a copy of the slides to share with Members.
- 9) **Dangstein Conservancy application** – the Chairman updated the committee on the application which is due to be decided by SDNP Committee on 14 December 2017 with a suggestion of approval for three years with numerous conditions. The concern is current conditions are not adhered to and enforcement action has not been taken. She will address the SDNP meeting along with two other ‘against’ representatives.
- 10) **Parsonage development** – SM expressed concern at the inclusion of Velux style windows on the houses. As the Council were objecting to the entire application the use of these and dark skies policy may not have been specifically commented on. Clerk to check approved plans and conditions to see if a requirement for black-out blinds is included.
- 11) **Date of next meeting:** The next Planning Committee Meeting was scheduled to be held at 6.45pm on Monday 8th January 2018 at Rogate Village Hall Pavilion.

There being no further business the meeting closed at 7.25pm.
