

## ROGATE PARISH COUNCIL - RECREATIONAL FACILITIES

We enjoy a range of outdoor recreational facilities in Rogate Parish. Some facilities are owned by the Parish and managed by the Parish Council. Others are owned and managed by Village Hall trustees (Rogate Recreational Grounds, Rake Village Hall grounds) and others owned or managed by Clubs (e.g. Tennis, Lawn Bowls, Fishing and Mountain Biking). In addition, there are many public rights of way and open access to Forestry Commission and National Trust land for walkers and riders to enjoy.

**Rogate Parish Council would like to hear your views on some ideas to add to our recreational facilities.** Two specific ideas are:

1. 'Outdoor Gym'. Install a set of outdoor gym type exercise equipment on Rogate Recreational Ground.
2. 'Woodland Trim Trail'. Establish a marked walking/jogging route on existing rights of way linking Rake Recreational Ground (Bulls Lane) and Fyning Recreational Ground and install rustic exercise facilities at intervals along the trails and within the two recreation grounds (owned by the Parish Council) at either end.

Other ideas include: Golf Practise Nets, Picnic Tables on Parish Council owned recreational grounds, Football/Cricket/Hockey nets, Climbing Wall.....

**Please let us know what you and the rest of your family think about the 2 specific ideas above and any others you may have by completing the survey below.**

	I do not support this idea (choose between 1 and 5 to reflect your opinion)					I strongly support this idea
	1	2	3	4	5	
Outdoor Gym equipment						
Woodland Trim-Trail						

	I am very unlikely to use this facility (choose between 1 and 5 to reflect your opinion)					I am (my family are) very likely to use this facility
	1	2	3	4	5	
Outdoor Gym equipment						
Woodland Trim-Trail
