

WELCOME BACK!

Covid-19 – we all play a part in keeping one another safe!

Please remember your safety is our priority. Although the risk of catching coronavirus is lower when outdoors, the virus can remain active on surfaces. If you can, consider playing other games in the park (such as football or throwing a Frisbee) that do not involve touching fixed play equipment. Please have consideration for others. If there is a queue, limit your time on the play equipment so that everyone can have a turn.

STAY AWAY from this playground if you are sick or have Coronavirus symptoms - please return home and follow government advice.

STAY SAFE – LEAVE A SPACE - maintain social distancing by keeping at least 2 metres away from other people

Please remember to **place your rubbish in a bin**, or even better, **take it home** to recycle!

WASH your hands/use hand sanitiser before and after using the play equipment

If the playground is busy please come back another time!
