

1. Introduction

The right to record meetings of the council and its committees is permitted under the Openness of Local Government Bodies Regulations 2014 (2014 SI No. 2095), which came into force on 6 August 2014. This requires parish councils to allow any person to film, audio-record or take photographs of, and to report on, the proceedings of any part of a meeting which the public are entitled to attend by law.

The Regulations do not require parish councils to allow filming, of any part of a meeting where the public are excluded by reason of the confidential nature of the business or where publicity would be prejudicial to the public interest. Exclusion of the public must be authorised by a resolution of the meeting and the reason for exclusion must be stated.

The Regulations apply only to formal, decision-making meetings of the Council, a committee or a sub-committee and not to informal meetings or meetings of a working party without decision-making powers.

For the purposes of this policy, the term 'recording' refers to filming, audio-recording, photographing, broadcasting, social media or transmitting the proceeding of meetings by any other means.

The council expects that the recording will not be edited in a way that could lead to misinterpretation or misrepresentation of the proceedings or infringement of the Parish Council's values or in a way that ridicules or shows a lack of respect for those in the recording. The Parish Council would expect any recording in breach of these rules to be

removed from public view. The Parish Council will have no liability for material published by any other person unless it is itself undertaking the publication through its offices.
