

Little Angels

Little Angels continues to be a popular activity for babies and preschool children. The numbers of attendees changes with the demographics and at the moment there are around eight little people enjoying their a Monday term time morning in Rogate Village Hall. Mums, Dads and carers also enjoy the opportunity to relax and chat over a hot drink and cake.

The venue continues to work well and the volunteers get a good workout getting out and putting away all the equipment!

The price remains at £2 per family which must the best value in the neighbourhood.
