

- 9) **Rogate Hall – furniture grant** – MH, AC and Clerk met with hall representative to look at the old youth club room requirements. It was agreed that we would need 4 large tables and 12 chairs and the room would remain set up as a meeting room. To purchase furniture the same as they have (but in a different colour) the estimated cost is approx. £1,300.

- 10) **Traffic scheme updates** – Rogate CHS – AC, MH, Clerk and Simon Ward met with WSCC Highways representatives who are working on the scheme. Questions were asked from both sides and it is hoped a design will be available to share soon. We may have the opportunity to include some village gateways – our cost to purchase but installed as part of the scheme.
